**BACK-TO-SCHOOL:**

**Are you ready for the first week?**

Are you **thinking** ahead **how to organize your child's** schedule, **extra-curricular activities**, **parent meetings**, and **their community involvement** while tracking important information?

**GOOD STRATEGIES TO BEGIN YOUR YEAR!**

- 1) When you pick up your child's class schedule, take a highlighter with you. Obtain a map of the school and walk their schedule highlighting their rooms and their locker. Determine the best path to get from each class. This will make the largest of schools easier to maneuver on the first day of class.
- 2) Start off with a good organizational system. Use **Educational Insider's School Portfolio** to organize materials and track all the important information.

Let us know if you benefited from the tips and if there is anything else we can help you with.
