*Truly Unique Handcrafted Cabinetry & Furniture*

Truesdell Designs, LTD is dedicated to offering customers the highest quality handcrafted cabinetry and furnishings. All pieces are handmade in our shop using a variety of time honored and proven techniques. Truesdell Designs, LTD provides unique craftsmanship that in today's market is often replaced with speed and conformity, using only high quality materials for construction from locally sawn hardwood lumber to the best hardwood available.

You can be assured that your each creation will remain a treasured heirloom and be in your family for generations.

Truesdell Designs, LTD will demonstrate honesty and integrity in all aspects of our business, so you can have peace of mind about your purchase. It is our desire to provide for our customers not only the best product at a reasonable price, but also a pleasant design and purchase experience.

Owner & Craftsman,  
Aaron K. Truesdell
