All pups require a minimum of half the purchase price as a deposit. Balance to be paid in full prior to or when the pups drop and the type of pup you ordered has been born. All pups must be taken by the 7th or 8th week of age unless other arrangements have been agreed to by you and Bravo Kennel.

If Bravo Kennel does not produce what you have ordered, a full deposit refund will be issued to you or you may apply your deposit towards future litters until the type of pup you ordered has been produced. Or you may choose another pup if available from the same litter.

If a pup is ordered and not paid in full by the time they are born, or you have changed your mind about taking the pup you ordered, the deposit is non-refundable unless other arrangements have been agreed to by you and Bravo Kennel.

I believe this is fair to all concerned. We already have our wonderful dogs. I am producing these pups for you.

Please sign the deposit agreement, specify what type of dog you would like and make all checks payable to Bravo Kennel.
