**Gift Card Fundraising Program:** So far in 2009, the Gift Card Fundraising Program has earned \$4101.25 in free money for our parish building fund. Thank you to all the families who participate. Approximately 30 families participate twice a month by purchasing gift cards to Food Lion, Kroger and Wal-Mart. However, this number is way down from our participation from last year! If you are one of the families who has participated in the past but have not purchased gift cards in awhile, please consider joining us for our next sales weekend which will be November 1, November 15, December 6 and December 20. If we could get another 30 families to participate, even on a small scale, it is easy to imagine our parish earning \$8000 a year towards paying off our building fund! If you have any questions, please call Jennifer Williams at (434) 385-7224.

**“Giving the Gift of Life”** National Donor Sabbath November 13-15, 2009 is a time for faith communities to observe and support organ and tissue donation by registering your donation wishes and sharing your decision with your family. Donation and transplantation SAVES lives. There is a critical shortage of organ donors with 103, 0000 people waiting on the national transplant list, 2500 of them are Virginians. Three Virginians die each week waiting for an organ transplant that doesn't come in time. One donor can save 7 lives through organ donation (heart, liver, pancreas, 2 kidneys, 2 lungs) and enhance more than 100 lives through tissue donation. Give the Gift of Life...Sign up to be an organ and tissue donor.\_\_\_\_
