

# Middleburg Humane Foundation

Dear MHF Friends,

2008 was a banner year for our farm shelter. More animals and people received medical care and assistance than ever before. Our dedicated volunteers and staff provided the very best daily care possible for every animal that passed through our doors. Just over 300 deserving animals found fabulous homes and those that are still here with us will stay until their forever homes are found.

As we look back on yet another action packed year of moments of success and struggles, we remember many happy little furry faces and smiles, all because of your support. We hope that you will enjoy this holiday newsletter and will continue to be a part of our mission— giving a second chance to animals, teaching children about compassion, empathy, and ultimately, saving precious lives.

From the bottom of our hearts,

Purrs, licks, whinnies & hugs from
