

Some of our many satisfied customers....

Jimmies-on-the-Delaware was one of our first customers. They purchased our picnic tables 3 years ago and they still sit outside their restaurant in Union Square!

The Municipality of Phillipsburg also ordered 8 tables to be used by the Boat Ramp/River access area in downtown Phillipsburg.

The New Jersey Youth Corps of Phillipsburg thanks you for your patronage!

New Jersey Youth Corps

The New Jersey Youth Corps of Phillipsburg is a 'second chance' program for young adults aged 16-25 years old that did not complete high school. Through a balance of academics and community based service projects, we hope to provide the foundation upon which to build a brighter future.

Over the past 10 years, we have made these picnic tables as part of the numerous service projects we have undertaken and as part of implementing numerous grants we have received. Now we are making them available to the general public as a means of offsetting our increased costs of operating amid the atmosphere of continuing budget cuts.

When planning your outdoor recreation area, consider us for your furniture needs!

THANK YOU!
