### *Handwriting Camps*

#### **“Early Writer” Camp (4 & 5 year olds)**

Writing readiness class with emphasis on development of fine motor skills, pre-writing strokes, cutting skills, and a correct pencil grasp. This is the *most important* time to seek guidance for your child who will soon be entering kindergarten and the easiest time to change any bad habits.

#### **“Powerful Printers” Camp (rising 1-3 graders)**

Re-teaches formation of all letters of the alphabet using a specialized handwriting program in a multi-sensory environment. This class is for children who are already printing but struggling with sequencing, line orientation, and/or spacing.

- All camps are staffed by Occupational Therapists
  - All Handwriting Materials Included
- Camps are held in a sensory motor gym with fine motor stations
- Meets Tuesdays and Thursdays for 4 weeks starting July 7th
  - Cost is \$369.00
