

# STERLING

TRANSPORTATION INC

To whom it may concern:

Philip Baer has been in my employ for two years and has been my personal chef and has always put together all of my personal and business parties.

Philip is an excellent chef and a very hard worker. I have had to rely on Philips skills with little to no planning or notice given on numerous occasions. Philip is always punctual and has a great attitude. He takes pride in his work and always chooses the freshest and finest of ingredients.

He has a vast selection of cuisines that he preparers deliciously and always comes up with a surprise. One of my favorites has been his sushi platters.

Philip is a very talented chef and I highly recommend his services!

Please feel free to contact me for further references.
