

October 17, 2008

Dear Parents and Students,

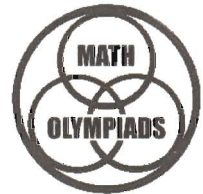

This year Saint Columba will be offering a Math Club. The Math Club will meet after school on the second and fourth Thursdays of the month. Membership is open to all students in Grades 4 – 8. We encourage students of all ability levels to participate. Through the use of games and other activities, students will be able to practice number fluency and other mathematical concepts in a more relaxed and non-“math class” setting.

Members will have the opportunity to participate in the MATHCOUNTS Club Program and the Math Olympiads, they provide some activities and opportunities for recognition of the students, as well as, Saint Columba School. In addition to MATHCOUNTS and the Math Olympiads, we will play different math games such as 24 Game and Equate (math Scrabble).

Best regards,

Mr. Corrigan

Math Club Permission Form

Student's Name: _____ Grade: _____

Home Address: _____

Home Phone Number: _____ Alternate Phone Number: _____

Please indicate your child's dismissal procedure from club meetings:

I give permission for my child to participate in the Math Club and all of its activities. I understand that the meetings will be held after school from 2:45 -4:00 pm in Room 207 or the Computer Lab. I also understand that I will be responsible for arranging a suitable dismissal plan for my child.
