

Costume Con 27 Videos on DVD!

The Costume Con DVD collection is a 2 disc set that will include the Historical Masquerade, the Future Fashion Show, and the Fantasy & Sci-Fi Masquerade. Each video is a multi-camera edited show, with an awards montage at the end to highlight the winners' costumes. Also on the DVD sets will be slide shows of Hall Costumes, Single Pattern Contest Costumes, Simplicity Pattern Costumes, Doll Contest, and the Bobby Gear Memorial Quilt Contest.

Your DVD order helps to support Costume Con 27.

Costume Con 27 video recording, editing and post-production is by Eric J Fleischer, MD (Dr Gandalf)

With contributions by other photographers and videographers.

Note on DVD compatibility: Some DVD players may have difficulty playing a recordable DVD. The Costume Con DVDs are burned on the highest quality DVD-R discs, and have been individually tested to be sure that each will play properly. This does not guarantee that all players will handle the discs, especially some computer DVD drives. Most stand-alone DVD players made in the last few years will have no trouble.
