

YOUR SATISFACTION IS OUR BUSINESS!

This document is a work in progress and may not list all reproductions and/or services. Please ask!

- **1984 MASUDAYA Metropolis Maria** Instruction Sheet:

False Maria is the rare robot beauty from the 1926 classic sci-fi movie, **METROPOLIS**. An instruction sheet painstakingly cleaned and printed in precise dimensions. Color front, b&w back like the original. She is only half a woman without her documentation. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$6 - Printed on double sided glossy photo paper.

- **1983 MASUDAYA Robby the Robot** Instruction Sheet:

This graphic replica for the 1983 Masudaya Robby Robot is what you longed for to complete your model. Painstakingly cleaned and reproduced in precise dimensions. Suitable for restoration or adding to a 1997 Robby Repro. Color front, b&w back like the original. He is incomplete without his documentation. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$6 - Printed on double sided glossy photo paper.

- **1966 Remco "Lost in Space"** Robot Instruction Sheet:

A highly detailed, and cleaned, reproduction of the original. Better than originals printed on standard 20 lb paper which darkens, yellows, and becomes brittle over the years. This is due to acid content of the paper at the time. Two high quality papers offered lasting you a life time.

» \$4.00 - 24 lb Kodak paper with 108+ brightness.

» \$5.00 - 24 lb Southworth water marked paper, 100% cotton and less bright.

- **1966 Remco "Lost in Space"** Robot Decal Treads:

Revived from an original. Printed on the same "cake box" quality paper and mounted on cardboard to look and feel exactly like an original. Just "peel-n-stick". Literally sold dozens to pleased collectors - including repeat customers. Even my own Robot sports a similar pair of these reproductions. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$15.00 for peel-n-stick.

» \$18.00 for a special pair of peel-n-stick canvas.

Ask about repairing/reproducing your old toy boxes!

(Subject to size/condition of the original.)

- **1966 Remco "Lost in Space"** Robot Box Replica and Graphics:

A triumph for Remco LIS Robot collectors with common face and flaps box damage. Never before has a repair kit been available. Includes the box edges to help conceal damage. Or trim out just the graphic(s) you need. Measures 9-1/2" x 14", and comes with a repair F.A.Q. Sides, back and bottom only available for on-site repair.

The repro box is already aged with beauty. Same corrugated cardboard for the full size box. Mini corrugated for the mini box. Authentic construction will last generations. Consistently fools everyone into thinking it is original. The entire price of either may be calculated into the new value of your restored toy. Professional 6 color printing process resists fading for 20± years. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$15.00 for face graphic.

» \$15.00 for 4 1/4" mini replica box with scale instructions. (Subject to availability.)

» \$4.00 for box top flaps.

» \$80 for FULL SIZE box. (Subject to availability.)

• **1968 Aurora "Lost in Space" The Robot Instructions and Box Replica:**

This model isn't complete without a box. Fairly easy to get an old model, but the box? (Laughs like Robot). The repro box is as beautiful as Judy Robinson. Same type cardboard. Solid construction will last generations. Consistently fools everyone who sees it the first time in thinking it is original. The price may be calculated into the new value of your restored toy. Professional 6 color printing process resists fading for 20 ± years. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$5.00 for instructions sheet.

» \$15.00 for Box cover alone.

• **1960'S ACTION Planet Robot Box Replica:**

A RARE minty box to hold old "Sparky". The authentic artwork is continuous. The bottom has brass staples depicted in the box graphics. But most importantly the graphics are clean, crisp, and bright. Quality construction stands up to the original. Signed inside. Professional 6 color printing process resists fading for 20± years. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$20 for full box.

» \$12 for top only.

• **1984 Masudaya Robby Robot Windup Box Replica:**

Impossible to find, and highly collectable! Worth its' weight in gold. Restore or upgrade your 1984, or 1997 wind up Robby respectively. Quality construction stands up to the original. Signed inside. Professional 6 color printing process resists fading for 20± years. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$15 for full box.

• **1993 Billiken Robby Robot Box Replica:**

A box so true to life, it takes a discerning eye to see it is a replica, and not a reproduction. Your friends may never know! Special notes: The authentic artwork is continuous. The bottom is simulated in 3 precisely attached pieces. Brass staples are depicted in the box graphics. But most importantly the graphics are clean, crisp, and bright. Quality construction stands up to the original. Signed inside. Professional 6 color printing process resists fading for 20± years. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$20 for full box.

» \$12 for top only.

• **1998 Terminator 2 Endoskeleton / T-800 Robot Box Replicas:**

Say "Hasta La Vista, baby." to boxless T2's. Get a great repro box for those cheap Endoskeleton repros and blow the roof off the vaule. Graphics are clean, crisp, and bright. Quality construction stands up to the original. Signed inside. Professional 6 color printing process resists fading for 20± years. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$20 for full box.

» \$12 for top only.

#####

• **ALL MEGO/Custom Doll Chest Emblems:**

All are very much like the original, but modernized and produced from sharp, solidly inked graphics - NOT a scan. No spotty colors or trimming. Just "peel-n-stick". Most measure 2.5 cm across, but custom sizes available. Not a paper replica of the original - but better! Printed on canvas for cloth-like appeal. Includes a coating to repel water, stains, and finger prints associated with normal handling.

» \$4 minimum for any custom sizes.

» \$1 for each additional.

- **1970's 8" MEGO BATGIRL Chest Shield:**

A sexier chest shield and buckle for the skin-tight costumed Queen of the Dark Night. You get two 3.0 cm of each batman shield and two 1.4 cm belt buckles. **Original emblem also available!**

» \$4 for each set.

- **1970's 8" MEGO BATMAN & Robin Chest Shields:**

We all wished for this chest shield. Akin to the comic book type we all loved. You get two 3.0 cm of each batman shield and two 1 cm R's; keep the spare in the utility belts. **Golden Age emblem now available!**

» \$4 for each set.

» \$5 for golden age set.

- **1970's 8" MEGO Bizzaro Chest Shield:**

Don't mess with the backwards "S". Bit more ragged looking than Superman's "S", then again Bizzaro is somewhat of a slob. You get TWO MEGO-like shields.

» \$3 for each set of two.

- **1970's 8" Captian America Chest Star & Shield:**

A star is born! No one else offers a shield replacement graphic. With a bit of work, you can have a replacement shield! You get two 2.0 cm chest stars and one MEGO-like shield.

» \$5 for each set

- **1970's 8" MEGO Fantastic 4 Chest Shields:**

THING, the Human Torch, Invisible woman, and Mr. Fantastic! Hey, not so fantastic without the chest emblems. Why settle for two, get four for 4 bucks! **"It's clobbering time!"** You get two MEGO-like shields.

» \$4 for each set of two.

- **1970's 8" MEGO FLASH Chest Shields:**

In the blink of an eye have this *flashy* lightning bolt. You blinked - so order now! You get two MEGO-like shields.

» \$4 for each set of two.

- **1970's 8" MEGO Green Lantern Chest Shield:**

Who would think a little ring had so much power? Who would think this emblem adds so much class? Akin to the classic type we all loved. Not a **yellowing** replica - but better! You get two MEGO-like shields.

» \$4 for each set of two.

- **1970's 8" Punisher Chest Shield:**

Sinister does not begin to describe the look on this classic style skull. Akin to the comic book type we all loved. Don't punish yourself for losing that sticker as a kid - this one is better! You get two MEGO-like shields.

» \$4 for each set of two.

- **1970's 8" MEGO Shazam/Captain Marvel Chest Shield:**

The Elders say Shazam is not so MARVELous without his bright yellow lightning bolt. You get TWO MEGO-like chest shields.

» \$4 for each set of two.

- **1970's 8" MEGO Superman Chest Shield:**

Put away that sagging old "S". You get TWO MEGO-like shields; one chest shield, and one smaller cape shield. Plus the 3-D ultra cool "*Super Shield*". **Original Mego and Future emblem now available!**

» \$4 for each Modern set.

» \$5 for Mego / Future set.

- **1970's 8" VENOM Chest Shield:**

For the alter arch-nemesis ego of the webbed wall crawler. Tantalizing and biting symmetry. If this doesn't bring a slathering tongue drool to your lips, I don't know what will.

» \$4 for each set of two.

- **Mini-DV, S-VHS, VHS, VHS-C to DVD Conversions:**

Can't find your old favorite movie on DVD? Forgotten family video tapes cluttering in storage and fading away? Convert to the sleek DVD format for time and space savings of 50%, or more! **Ask about PC conversions!**

» Approx. \$10 per DVD, case and label.

» Must pay return shipping of original tapes.

» Copying fee pending number of tapes and lengths.

» Contact with details for quote.
