Difficulty: Easy

Size: approximately 8.75" from neck to bottom and 8" wide

Materials: One skein of worsted weight cotton if you are using the bib for meals. If, on the other hand, you want to use it as a “drool” bib, I recommend using a superwash wool. The cotton has a tendency to absorb the moisture, whereas the superwash wool will wick the moisture and keep baby nice and dry! Sample was done in Peaches & Crème Pastel Pink.

Needles: U.S. Size 6 (4 mm)

Gauge: 4.5 sts. per inch, not critical

Abbreviations:

k = knit

p = purl

sts. = stitches

dec. = decrease

Pattern Notes: The border of this cloth may look like a straight seed stitch, however, in order to keep the defined scallop border, there are rows where the stitch sequence varies. If you keep this in mind and keep an eye on the pattern, you shouldn't have any problems!

Pattern: Cast on 15 sts.

Row 1: (right side) p1, k1 across row.

Row 2: Cast on 3 sts., k1, p1 across row. (18 sts.)

Row 3: Cast on 3 sts., k1, p1 across row. (21 sts.)

Shoulder Shaping:

Row 63: k1, p1 for 13 stitches; bind off the next 11 stitches knitwise, and work the remaining stitches in the established seed stitch. You should have 13 sts. on each side.

Next row: p1, k1 across and place first 13 stitches on a holder. Work on remaining 13 sts. as follows:

Note: As you look at the bib, this will be the **left** side. **All the decreases are made on right side rows.** I have included a couple of tips below.

(Right side) Dec. 1 st. at neck edge every other row 2 times. (11 sts.)

(**Tip:** I find it easiest to decrease these neck stitches by slipping the first stitch knitwise, then knitting the next stitch, and passing the slipped stitch over the knitted stitch. Because the cotton is heavy, it can be a little difficult to slip two stitches and then knit them together.)

Work one row.

(Right side) Dec. 1 st. at shoulder edge every other row until 5 sts. remain. (For these decreases, you should knit the last two stitches together.)

Work one row.

(Right side) Dec. 1 st. at neck edge and 1 st. at shoulder edge. 3 sts.

Slip these 3 sts. to a dpn and work an I-cord for approximately 12 inches. Fasten off and run end down through middle of I-cord. Don't worry if the I-cords look a little wonky. A firm tug will usually straighten them out and after the bib is washed, you won't even notice! A good tutorial for making the I-cords can be found here:

Join yarn to neck edge and work right side to correspond to the left side.

(**Tip for right shoulder**) Join the yarn at the neck edge and knit across row. On the next row (right side), decrease at the neck edge by knitting the last two stitches together. For the shoulder edge, decrease by slipping the first stitch knitwise, knitting the next stitch, and then passing the slipped stitch over the knitted stitch.)

Weave in ends.
