

# Wearing a Voxware Headset and Cables

## 1 Adjust the headset to fit you

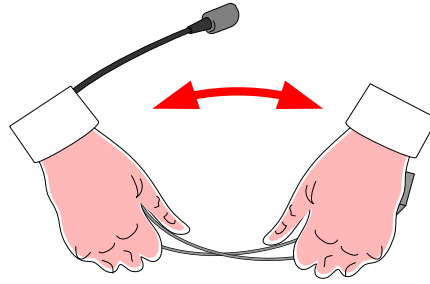

Dual-Band Headset

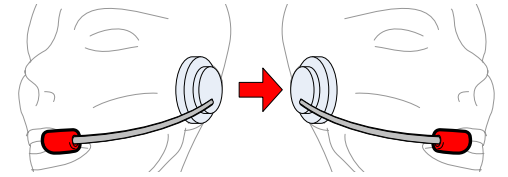

Adjust headband to fit

Bend headband if necessary

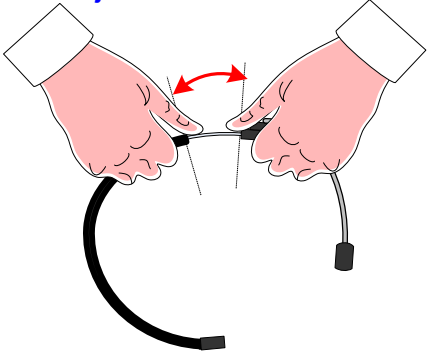

To wear earpiece on other ear, swivel boom from one side to the other

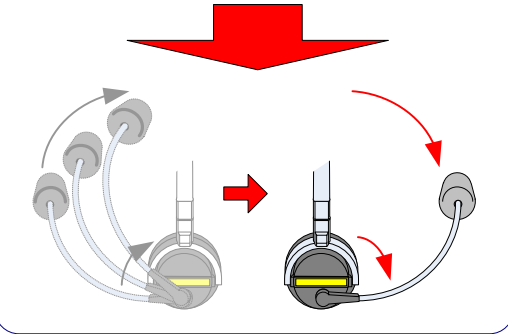

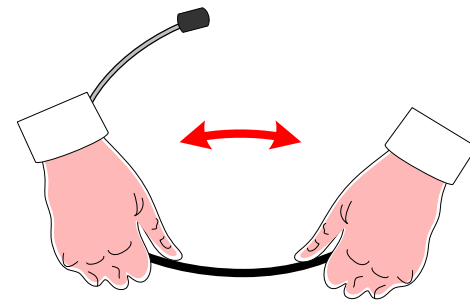

Single-Band Headset

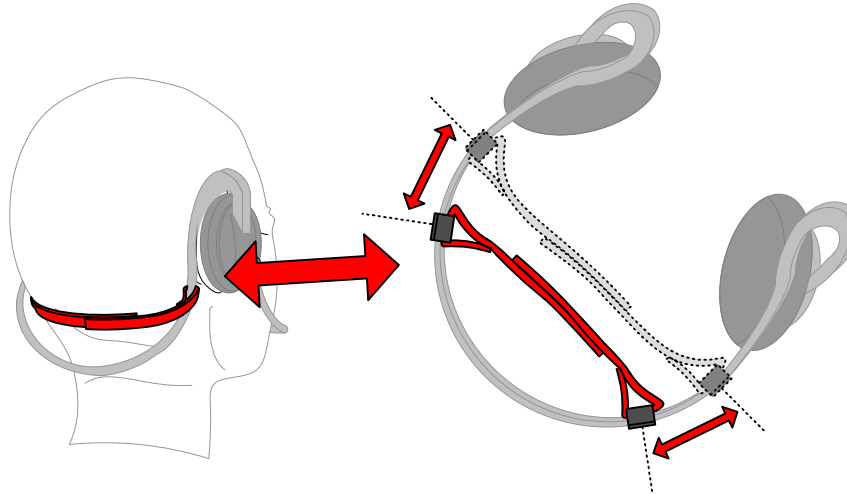

Adjust headband to fit

Bend headband if necessary

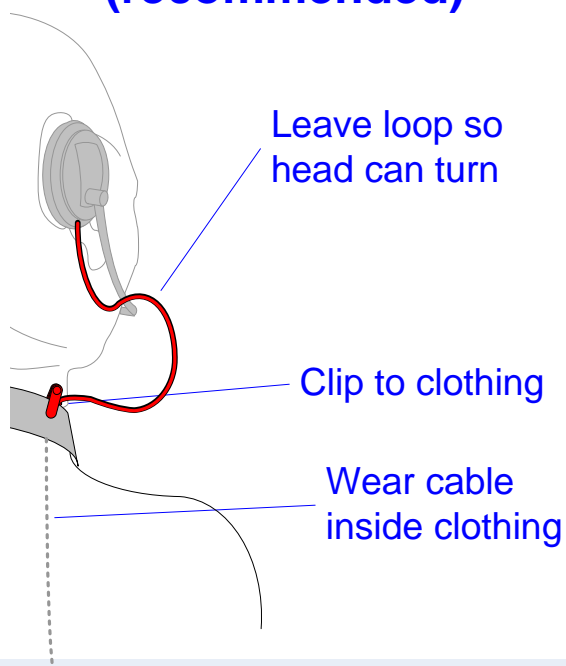

Behind-the-Neck Headset

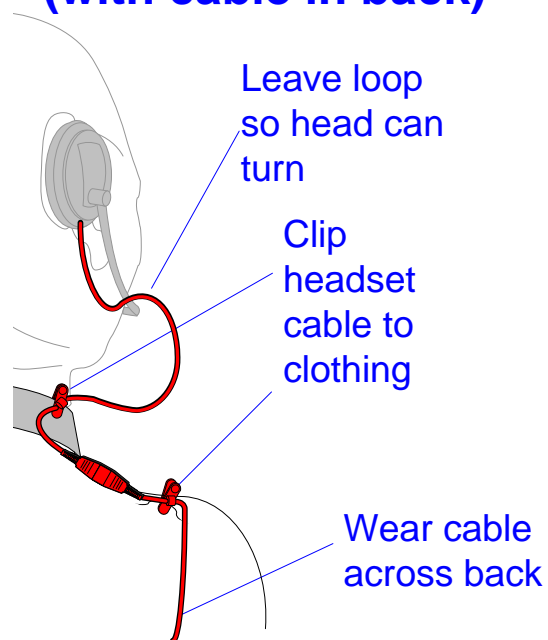

Adjust strap so headset fits you

## 2 Put the cable on and secure it

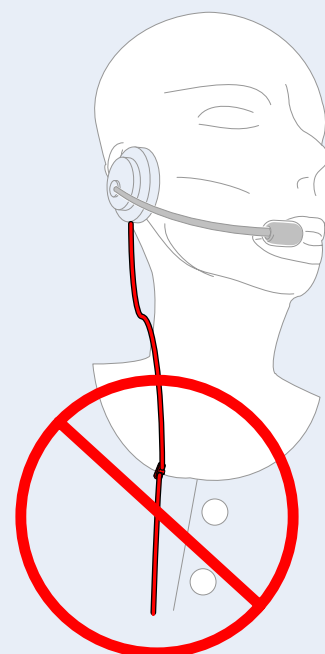

**UNDER CLOTHING**  
(recommended)

**OR OVER CLOTHING**  
(with cable in back)

**Do not wear cable in front of body**

Attach cables securely to clothing so they let you work without restriction and cannot get tangled in something.

## 3 Connect the headset to the client unit
