

Plan for a ten-minute-long presentation for the G/T Research Program

When do I want to present? _____

To whom do I want to present? _____

Objectives:

By the end of my presentation the students will be able to . . . (use precise verbs)

1.

2.

3.

4.

Any additional objectives

I will accomplish these objectives by:

Speaking using Power Point slides (required)

**And leading a discussion (not required)

**And/or designing an activity for students to do in pairs/small groups (not required)

****Other:**

****Students' whose presentations are interactive are *always* more successful than those who simply lecture.**

I will assess my success by:

(1) Reviewing the grading sheet filled out by the teacher who listens to me

And

(2) Distributing to and re-collecting from 3-5 audience members the evaluation form that I have designed.

I will submit all evaluation forms to Mrs. Kiehl upon completion of the assignment.
