

# **Pump McLaughlin Memorial Award for Spirit and Enthusiasm BALLOT and Instructions**

Pump McLaughlin Memorial Award for Spirit and Enthusiasm. This award recognizes a senior-division swimmer who best epitomizes the spirit and enthusiasm that Pump spent his coaching career teaching.

The award is open to any senior division swimmer (ages 15 -18) in the Western Pennsylvania District. Although the award will be presented at the District Championship meet, the winner does not necessarily have to be a Districts qualifier.

Biographies of nominees are included in your Districts coaches' packet.

**Voting Instructions:** Read the Nominees descriptions and vote for whichever senior-division swimmer you feel best epitomizes the spirit and enthusiasm of YMCA swimming.

Each TEAM participating in the Western PA Districts meet is eligible for ONE vote. A team may NOT vote for its own nominee.

Complete the ballot in full (Team name MUST appear on the ballot)

Return the ballot to the "Computer Table" before the conclusion of Junior Girls Backstroke.
