

THANKSGIVING OFFERING

For two centuries, Disciples colleges and universities have trained Disciples leaders to think clearly and rationally and to minister to the world around them. While those first instructors and students might not recognize modern campuses, those classic values live on in the 21st Century.

Disciple's undergraduate institutions serve nearly 27,000 students in a wide variety of settings-from a rural college town with several hundred students to a metropolitan setting with almost 9,000 students. Despite those differences, these schools all share a commitment to the church, emphasize spiritual faith and values, and cherish a commitment to a liberal-arts education.

Your gift to the Thanksgiving Special Offering supports the training of our church's emerging leaders-an investment in our church's future.

Christmas dinner will be at 4:30 p.m. Sunday, December 13. We are looking for several volunteers to help in and with the program. Please see Ray or BJ for more information.
