## Prince William Swim League (PWSL) Considerations for Divisional Meet Scoring

**Overview.** PWSL tri meets are comprised of 67 events: 19 relays and 48 individual events. Swimmers earn points for their teams by competing in relay events and by being one of the six fastest finishers on their team in individual events. The team with the most points wins the meet.

**Relay Event Scoring.** Points are awarded for the first 3 places. First place in relay events is won by the fastest legal swim, the opponents take Second and Third Place, based in time, by completing legal swims. The same team cannot score points for more than one place. The same team can receive ribbons for multiple places but can only score once.

**Individual Event Scoring.** Swimmers can earn individual points in Free, IM, Back, Breast and Fly events.

1. Points are awarded for up to 18 places per event.
2. The fastest 6 finishes for each team will score points by completion of legal swims.
3. The same team cannot score points for more than 6 places.

**Special Considerations for Ribbons.** Regardless of the number of teams competing at a divisional meet, ribbons are awarded to the top 24 finishers based on time in each individual event and top 4 relay teams in each relay event. Ribbons are also awarded for the top 12 six (6) year olds (or younger) in Free and Back events based on time.

**“Cyber Meet” Ribbons.** After all divisional meets
