### SAM NICOLISI "TAKES THE CAKE, AND EATS IT TOO!"

Sam Nicolosi, MOODGolf member #3 successfully dominates a bag tag challenge played on New Years day. Sam "put a hurting" on long time veteran Ken Rollins during the challenge.

Nicolosi came out strong at the beginning of the round with a -3 after four holes. Rollins struggled with maintaining pars throughout the round while Nicolosi turned up the heat with more great drives and putts.

The two were joined by fellow club members Dustin Mohr and Mike Peppard who also maintained a challenge for their tags. Mohr maintained his standing against Peppard. Two other golfers, Brad and Jason new to the sport, enjoyed the occasional "smack" that was a fun part of the round. Both Jason and Brad seemed to enjoy the game and expressed the importance of coming back for more outings in the near future.

Nicolosi is a strong presence at the course as he can be found there on a daily basis. Please join in and congratulate him on his victory!

(Nicolosi) Proud to be #1
