

PHILADELPHIA AREA GROUP PSYCHOTHERAPY SOCIETY

ANNUAL DINNER MEETING

Friday, May 8, 2009, 6:30 p.m.

Wynnewood, PA

(call 215-242-4234 or e-mail pagps@att.net
for reservations or directions)

This year's dinner meeting will once again be an informal get-together—this time at the home of a board member in Wynnewood, PA. Please join us for an enjoyable evening. **There is no charge for this event. Dinner will be provided by members of the PAGPS board.**

You are encouraged to bring significant others and/or prospective members to this meeting. Just let us know when you respond.

No skit this year. Instead, Johanna Kane, MA, ATR-BC, LPC, will lead us in a group-themed art activity, encouraging each of us to represent ourselves using the metaphor of a group forest. Participation in and discussion of the experience are voluntary and—thank goodness—require no prior art skills!

Johanna Kane, a board certified art psychotherapist and a licensed professional counselor, is an adjunct professor at Arcadia University and works at Children's Hospital of Philadelphia. She has been featured on Channel 12 WHYY *Circle of Care* and has presented at local colleges and professional conferences.

To facilitate planning, please respond to Elsa Efran (215-242-4234, pagps@att.net). We cannot guarantee that we can accommodate latecomers.
