Please submit them to us by September 21 to take advantage of the double value. We'll still collect and redeem them even after this special offer is over.

Acme's Community Cashback register receipt program usually starts in September. If Acme offers the program this year, we'll participate. Watch the Acme ad for more information.

We're collecting inkjet and laser printer cartridges again. These must be original equipment manufacturer (OEM) cartridges. Unfortunately, we can't redeem remanufactured cartridges.
