## **GETTING READY FOR CAMP HOPE 2009**

WOW, its less than 3 months until camp. That is a fun thought but its a little scary too. There is so much to do (including getting this brochure done, printed, mailed) There are also workbooks to finish, songbooks to compile, a few staff spots yet to fill, food planning, fun planning, stuff to buy (tons of stuff), messages to prepare and transportation to just wonder about. *Wait, Stop, let me off the train!*

No, not really. There are few things more enjoyable than running a camp program. I love it. But it is true that every year I wonder if we will be ready. And then you know what happens? Camp time comes and ... sure enough, we're not ready. But camp goes on anyway, despite what we forgot or didn't accomplish. Usually it seems the two most important elements are there: a group of staff and campers who want to have a good time and the blessing of God as we meet in His name, study His word, and ask Him to guide us.

Pray for camp. Pray for the staff and campers. We do have work to do but the most important work can only be done by God. Pray that God will do great things as His Word is proclaimed.

See you at Camp. Lets have a great time together!

*Pastor Harris*
