

Quick Write...

You have 15 minutes to respond to the following:

- Read through the "Thinking Critically" article on the Bosnian Pyramids (includes the article on the back of the page).
- Respond to the underlined questions at the beginning of the article as well as the questions at the end of the "Thinking Critically" article.

1. Read "Rational and Intuitive Knowledge" and then in a small group, make a Ven Diagram on poster paper that compares Western and Eastern ideas about the nature of knowledge.

2. Read "Brecht's Gallileo" and respond to the following:
 - How does "Brecht's Gallileo" illustrate ways that knowledge claims can be / are justified?
 - What kinds of knowledge claims are best justified on basis of authority?
 - What kinds of knowledge claims are best justified on basis of senses?
