### 2007 Dues are Due January 31

If you haven't already done so, please mail your \$50 annual dues to Elverson Rod and Gun Club at the above address. Those who have not paid their dues by January 31 will have their memberships cancelled. To rejoin, a \$100 initiation fee and \$50 dues would have to be paid, and the person subject to a wait list. There have not been many openings since we've reached the 400 member cap, and so there is no guarantee of an opening. The bottom line: if you want to remain a member, be sure to pay by the deadline!

### Your Participation is Needed

The club is more than a building and ranges; it is the members who make it function. Please come out and volunteer any time you can afford for meetings, work nights, board and trap shoots. We need your help, and it's a great way to meet fellow members!

### Help Save Postage Expense

### Trap Shoots

Trap shoots are held every Tuesday evening from April through October, and also the 3<sup>rd</sup> Sunday of each month at noon year 'round. These shoots are a great deal of fun, and have become very popular. Open to the public: all are welcome.

### Hunter-Trapper Education

The club will conduct a state-accredited Hunter-Trapper Education class this Winter. The dates have not yet been set, but are likely to be the end of February or beginning of March. (When known, the dates will be posted on our web site.) Successful completion of this course is required for all first-time purchases of a hunting license. Contact Doug Pratt ([doug@elversonrodandgunclub.com](mailto:doug@elversonrodandgunclub.com)) for more information and to register.

### Combination Lock

To open the combination lock at the gate, dial the combination (printed on your membership card) and **push in on the shackle**. The lock will release. To lock it, scramble the numbers and then push in on the shackle. Always lock the gate behind you.
