*The Key to Preventing Homelessness*

June 6, 2008

Thomas Bone  
FM Lady Thunder

Dear Mr. Bone and our Friends of the FM Ladies Thunder Team:

Laughter and smiles abound thanks to the giving spirit demonstrated by the FM Lady Thunder organization during the week of June 2, 2008. The food items supplied as a result of your 2nd Annual – “Feed a Kid” Noodle Drive yielded thousands of servings of dried noodle goods and other groceries that will benefit families in need through Metrocrest Social Services. In addition, your donation of \$750 allowed us to purchase almost an entire pallet of groceries at wholesale prices.

Your belief in our programs is heartwarming to all of us; most importantly helps improve life situations for residents in our community. During these difficult economic times, we are constantly in need of assistance from the community to help meet the needs of the numerous families who come to us in crisis. The support of FM Lady Thunder — past, present and future — provides volunteers valuable key life lessons while providing the essential resources needed to serve our client families 52 hours a week in our food pantry.

Thank you for reassuring families in need that they live in a community that cares. As we work together as partners in our community to bring assistance to those in need, we are making the future brighter for all.

Sincerely,

Bunny Summerlin  
Executive Director
