

Bethel #35:

LIFE in Color

January 2009

Junior Princess

Bethel Guardian

Hey girls! We're starting our new term, and I hope everyone is as excited as I am about their new stations. I'm happy to be your new Senior Princess this term. I know that this term will be a lot of fun, and exciting. We have a couple big events like Ocean City, and Spring Banquet coming up this spring and I can't wait to see everyone there in their pretty dresses.

It's hard to believe that Christmas is over and that we are beginning 2009. This term has gone really fast and we are looking forward to another. Carli—it has been great working with you this term. As I said at the last meeting, it has been a long time since I was Guardian and you have been very patient with me the last 6 months. Alicia—I am looking forward to working with you and all of the members during the upcoming term. Your plans sound exciting and I am sure that we will be discussing lots of fun activities at our planning meeting on January 8th.

Hey Girls

Ice-skating was a hit. We had loads of fun. The people who went were Alicia, Paige, Nikki, and I. There were a few of us who fell a couple of times but we got right back up and kept going. I want to thank everyone who has supported the Bethel by traveling to the different recreation activities. I enjoyed working with Carli this term and am very much looking forward to working with Alicia next term. I hope that everyone keeps traveling and remember you get out of Job's Daughters what you put into it.

I would like to welcome all of our new members and their families to our Bethel. It has been fun traveling with you and getting to know you better. You will hear this many times, but you only get out of Job's Daughters what you put into it. Come to the meetings so you know what we are planning and come to the activities where you really get to know the members.

Jobie Luv

As we begin the new term I would like to remind all of the members to call me if you cannot make a meeting or an activity for which you have signed up. Also please make every attempt to be prompt for activity and meeting times. Already January looks busy with Installations and Grand Guardian Council activities and I am sure that we will be traveling across the state very soon.

Cathy ☺

I would like to take this time to wish everyone a wonderful and happy New Year
