Coming up soon is our Friendship night on Nov. 20th so please spread the word and see if your fellow Jobie friends from Maryland can come and join in the fun!

Hey girls,

I hope everyone is doing well in school and are getting adjusted with the weather. I personally wish it were warmer, but I can't really help that. So anyway this month Cara, Christy, and I all have refreshments between the two meetings. Thanks to everyone who brought refreshments in October. Well as you all know, there is home work to be done and dances to be danced so I hope to see you all soon.

Hey girls! It's now November, and we're getting ready for a lot of fun fall activities. We finished selling Joe Corbi's, the total of the sale hasn't come in yet, so I will let everyone know as soon as possible. Our next fundraiser is going to be Avon. Order booklets and forms were passed out at our last meeting, so if you didn't get one please come find me. I can't wait to see all of you at our next meeting, and at pageant!

Hi friends ! How is everyone doing? I hope all is well! Well this month in the community service corner of the ring we have a couple of things planned. Since Thanksgiving is this month, and Christmas is just right around the corner, I would really like to find time to welcome home troops at BWI. I have been in contact with the people who run the Operation Welcome Home program and I will have a tentative date shortly. If anyone is interested in looking at the website, the address is <http://www.operationwelcomehomemd.org>. Besides that we are still collecting coupons left and right. I'd like to ask anyone who is handing in pre-clipped coupons to please put them in envelopes with your name(s) on it. There are a few more things on the table and I hope to see them materializing soon ! Have a nice month everyone, see you around (:

Hey Girls,

Hey how is everyone doing? I know I am doing very well. It's getting colder so it's time to put away the flip-flops and bring out the hats and gloves. The activity for this month is Amazing Glaze. We plan to do it after the Honored Queen's Church service on November 16.

When I think of November I think of Thanksgiving. While the turkey and stuffing are wonderful, I am thankful that I can enjoy this food and time with family. I would like to take time and examine some of the other things in my life for which I am thankful. First I am thankful that I am involved with such a wonderful organization. Working with all of the Daughters keeps me young and very busy. There is never a dull moment. I am thankful for the adults who assist at the meetings, provide transportation, serve on council and support the organization in so many ways. Of course I am thankful for all of the members of Bethel #35. Without you there would not be Job's Daughters and that would be a huge loss.

Now for even more thank you's. Thank you to Cathy, Alicia, Gina, Cara and Carli who participated in the Ritual Competition and represented our Bethel with a team for the first time in several years. Thank you to Mom Stacey who worked with the team in preparing for the competition. The results will be revealed at Pageant.

Speaking of Pageant, thank you to Gina and Alicia who have agreed to be our Contestant and Alternate. I know that you will do a great job. Preparing for Pageant is a lot of work and I appreciate the fact that you are willing to take on this responsibility.

Thank you to Gina and Kim who brought in petitions and to Christy and Cara who are encouraging friends to complete petitions. Wouldn't it be great to Initiate 4 or 5 girls at the same time?

Thank you to Alicia for substituting for Carli at the last meeting. You did a remarkable job. Thank you to Gina and Kim for being flexible and substituting as needed.

Thank you to everyone who has participated in the fundraisers this term. Joe Corbi's will be delivered at the next meeting and Avon orders are due also.

Bethel Guardian (cont.)

Thank you to everyone who has been traveling and attending activities. It is so much more fun when more than one or two Daughters go. This is how you make friends throughout the state. You can also get some great ideas for activities and fundraisers from the other Bethels.

Now that we have read some petitions you know that we will be having Initiation. Please, please, please study your parts so that we can do a great job for the new girls. Remember, first impressions are very important. Also remember to call the members who have not been attending meetings. Encourage them to attend and let them know that we miss them.

Just a quick reminder—if you cannot make a meeting you need to call me and let me know. Try my home phone and if you cannot reach me there call my cell phone. If you sign up for an activity and cannot make it please call me also. Transportation is arranged by the number of Daughters and friends attending an activity.

Have a great Thanksgiving.

Our Travels

On October 6, Mom Stacey and I attended the OV at Bethel 31. I substituted as Senior Custodian and Mom Stacey substituted as Guide. They had a beautiful meeting. They had the elections for pageant. Casey R. was elected Contestant and Heather was elected alternate. They had good refreshments afterward.

Cathy ☺

On October 8 Cathy, Mom Pam, Mom Stacey and I all went down to Elkridge to Bethel 22's OV. Although I was not there for the dinner, I was told that it was very good. The meeting went smoothly and HQ Meghan did well. Afterwards we all went downstairs for refreshments. They had left over dinner and cupcakes and cookies and other assortments of desserts. All in all I was a good OV.

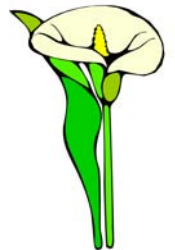

Alicia ♡

On Friday October 10th we held a game night at the Lodge, and we had a blast. 3 people brought friends and we have had one bring in a petition. We played lots of games like Twister, Apples to Apples, Catch Phrase, and Killer. There was also food. All in all I think we had a great time.

Cathy ☺

On October 12 Cathy, Mom Pam, and I went to Dad Mark's house for the Grand Bethel meeting. It was nice for me to see how Grand Bethel is different from regular Bethels. The members of the Grand Bethel take responsibility for the work, while in regular Bethels the Council does. Afterwards we all went to play laser tag. This was very fun and it was like a spooky jungle. It was all very fun and it was the perfect ending to my birthday.

Alicia ♡

On October 17, Alicia, Kathy, Mom Pam, Mom Stacey, and I went to Bethel 16's OV. The girls did very well! They barely got prompted and they were not too nervous. Their Bethel is really growing! Afterwards the food was really good, it was an Octoberfest theme. They had amazing German chocolate cake too!

Kim

On October 18 Cathy, Christy, Mom Pam and I all helped out at the Mt. Ararat's Treasures from the Attic. This was kind of like the Antiques Road Show. You could bring your things in and have them appraised. Although it was not a very big turn out, I think it did help a little bit with the bicentennial program.

Alicia ♡

On Sat. October 25th was the annual ritual competition. There were competitors in both the individual as well as the messenger team portion of the competition. Bethel #35 impressed the judges with not just an individual competitor (Cathy), but also with a Messenger Team. Our messenger team consisted of Cathy as 1st Messenger, Alicia as 2nd, Gina as 3rd, Cara as 4th, and myself as 5th. Overall I think we were all very pleased with our performance.
