

Bethel #35:

# LIFE in Color

October 2008

## Honored Queen

Hey all!

Hope you all in the Jobie world are doing good and remaining healthy! For those of you that haven't been so particularly lucky in escaping the sicknesses of the season (myself included) try the a few of the following tips: Avoid touching your eyes, nose and mouth; make sure you wash your hands; cover your nose and mouth when you cough, and last but not least according to the web "avoid people who are sick" - simple enough right?

Well besides flu season, it's also OV season. And for all of you newbie girls "OV" stands for "official visitation". Every term each Bethel has a meeting in which the Grand Guardian Council visits and watches a regular meeting. This term our OV is also going to be doubling as our ritual competition (similar to our "frog" meeting last term). Since OV's are a kind of a big deal, I really want to encourage all you girls to go out and travel to support the girls at the other Maryland Bethels! And as for our OV, it is next meeting October 9th, so study study study your wonderful purple books! Our theme for the night is rainbow colors, and everyone is should have been assigned/ signed up for some type of refreshments.

So anyway stay happy, healthy and wonderful! Much love!

Carli

Hey girls

I hope that everyone's school or college is running smoothly and we are all adjusted now. We have had a couple of meetings so far including Master Mason and Eastern Star night. Our next meeting is on October 9, and it is OV. For refreshments you have all signed up for something to bring. I will call you the Monday before the meeting to remind you what you need to bring. Also try to dress in bright colors to support our theme.

## Junior Princess

Hey girls! Now we're getting into October and you know what that means?! HALLOWEEN! I hope this month everyone goes to more activities and comes to all the OVs. Other than that this month I have planned for us to sell Joe Corbi's. So I want everyone to sell as much as they can, money and orders are due by the October 23<sup>rd</sup> meeting. The orders will be in on November 13<sup>th</sup> so you can pick them up after are meeting that night. I'm not sure of any other fundraisers just yet but I'll let everyone know when I do. I hope everyone gets lots of candy!

## Hey Girls

How is everyone doing? Hopefully well. We had our skating activity and I think that it went really well. This month the activity is going to be a game night at the Lodge. It will be on Friday, October 10<sup>th</sup> at 7pm. Bring a game a snack and a female friend. I hope that we have a really good turnout and have lots of fun.

Cool mornings, colorful trees and juicy apples are certainly making me think fall and it looks to be a busy one this year. I would like to thank all of the Daughters and adults who have attended the September meetings. They are much more enjoyable when everyone is there to participate. It is hard to keep up with current and future activities when you are not at the meetings to hear all of the details.

Congratulations are in order for Gina and Alicia who have been elected as contestant and alternate for this year's Miss Maryland Job's Daughter Pageant. I know that they will represent our Bethel with dignity, grace and poise. Good luck also to Cathy, Alicia, Gina, Cara and Carli who will be representing our Bethel in the messenger team competition. It has been several years since we have had a team and I know that you will represent our Bethel well.

Our next meeting is our Official Visitation and Bethel Ritual Competition. Mom Laura and Dad Charlie will be visiting along with other Grand Officers and members of other Bethels. This is our opportunity to demonstrate our good Ritual work and enthusiasm for Job's Daughters. Please remember to have your robe clean and pressed. The cord should be sewn onto the yoke and the hem is 3" from the floor with

a 4" hem. White stockings, long slip, undergarments and clean white slippers complete the look. The committee would like to judge the robes at 6:15 pm so do your best to be there and dressed in time. I know that everyone will do their best.

Upcoming activities include the game night at the Lodge on October 10<sup>th</sup> which is a great way to introduce your friends to Job's Daughters, the Grand Bethel Meeting at Dad Mark's house on October 12<sup>th</sup> and the Grand Master's Barn Dance at Bonnie Blink on October 24<sup>th</sup>. We also have Official Visitations at Bethel 22 on October 8<sup>th</sup>, Bethel 31 on October 6<sup>th</sup> and Bethel 16 on October 17<sup>th</sup>. Let's try to support our sister Bethels.

Just a quick reminder—if you sign up for an activity and find that you cannot attend please call me and let me know. Also if a member of the phone tree calls and leaves a message for you please call them back, even if you can't go to the activity. It is just plain manners to return a phone call.

I look forward to traveling with all of you this fall and to seeing you at all of our meetings. Try to contact those daughters who were not at our last meeting and encourage them to attend. We all enjoy feeling part of a group.

Happy Fall,  
Mom Pam

# Our Travels

On September 6 Cathy, Carli, Mom Donna, Mom Rebecca, Mom Pam and I all drove down to Hollywood MD, in the middle of a tropical storm, for the Grand Bethel installation. The business meeting went very well and Mom Stacey was elected as GBHQ for the March to September term. The installation was very nice Lacey was installed as GBHQ. Carli and two other people were welcomed into the Grand Bethel, which I guess is nice because I don't know what happened. Over all it was very nice.

On Sept. 18th Bethel #36 Towson held their semi annual OV. Prior to the meeting there was a soup and salad dinner, which everyone seemed to really enjoy. There was a really nice turn out for the meeting, and the amount of Daughters actually outnumbered the amount of adults, so GO US! :) During presentations Mom Laura and Dad Charlie awarded charms for our traveling caterpillar (we're up to 6-7 now I believe!) The girls did a really nice job with their ritual work and over all it was a really nice meeting!

On Sunday September 20<sup>th</sup> we went roller skating at Putty Hill Skate Land. Deanna, Cara, Kim, Kim's Friend, Cathy, Mom Dawn, and Mom Pam attended this event. In the beginning Kim's friends and Cara both fell. Than towards the end I fell and I tried to keep my balance by waving my arms around but it didn't work. I only succeeded in making a fool of myself by looking like I was doing the backstroke and, I ended up falling anyway. Then Cathy fell and hit her head on my knee and apparently my knee is hard. When we went to get food it was really hard, because the drinks didn't have lids on them. Plus we were on roller skates, so we almost spilled our drinks and our pizzas, what a mess that would have been! Over all, we all had fun. Kim was the only lucky one because she didn't fall! We should do this again next year and attend this if you can.

Deanna

On Monday September 22<sup>nd</sup>, we had a fundraiser at Friendly's. We had a pretty good turn out with lots of familiar faces. We had a raffle at the front door giving away a 1/2 a gallon of ice cream every month for a year as the prize, the winner was Jean Penley from Eastern Star. Even though only one person won, we still made a lot of money from the raffle and the sales in the restaurant. Next time we have a fundraiser at Friendly's I want to see everyone there, because it's good food and ice cream!

This past weekend was leadership weekend and it was awesome. We went to Indian Lake Christian Camp from September 26-28. I had a blast. From our Bethel Alicia, Kim, Gina, Stacey, Mom Pam, Mom Donna and I all went. Even though it rained the whole weekend, we had an amazing time. We had Jobie Olympics, crafts, surveys and who can forget the amazing food. We actually did this activity where we got to learn if we were left brained or right brained. I found it very interesting. All in all it was fun to just hang out with girls from around the state and do different activities with them. I think more girls should go next year.
