

Rose's Run #5

5K Run and 1 Mile Walk

Sunday, November 15, 2009, starting and finishing at the Charter School of Wilmington

Rose's Run is being held for the fifth consecutive year. Proceeds from this event will be used to help defray the costs associated with the care of Rose Eldridge. Rose was seriously injured in a fatal car accident on March 19, 2005, when she was a junior at the Charter School of Wilmington. In July, Rose turned 21. While she continues to improve, she still faces many challenges in her recovery.

Race Details—The race is organized and managed by volunteers so that expenses are minimized. The date is after the end of the CYM and high school cross country seasons, in order to attract many of these runners. Limited-edition Rose's Run mugs will be awarded in 5-year age categories. Again this year there is a 5K race and a non-competitive 1 mile walk that will start just after the 5K race. Afterwards, there will be great post-race refreshments and a large number of random prize drawings for anyone present at the awards ceremony.

Sponsors needed—Race sponsors are crucial to making this event a success. Sponsorship and T-shirt advertising are at the following levels:

- **Race Sponsorship: \$2,000** Sponsor logo/name will be printed on the front of the Rose's Run T-shirt
- **Gold Level: \$1,000**
- **Silver Level: \$500**
- **Bronze Level: \$250**

Prize, refreshment, coupon contributions—We are also accepting post-race refreshments and merchandise for race awards and random prize drawings after the race. The refreshments, awards, and random prizes help make this event enjoyable for all participants.

All sponsors who contribute \$250 or more by October 23 will be listed on the back of the Rose's Run T-shirt, and listed on signs at the event. All sponsors who make contributions to the event will be acknowledged on the Rose's Run Web site, <http://mysite.verizon.net/rosesrun/>. A link to your company's Web site can also be added.
