

*Welcome To  
Saint Athanasius  
Roman Catholic Church*

**In this place** God's people are born through the waters of Baptism and sealed through the gift of the spirit.

**In this place** God's people know the great gift of mercy and the forgiveness of sins.

**In this place** marriage becomes sacrament and death becomes a time of hope.

**In this place** again and again we tell the stories that remind us of who we are.

**In this place** we share the meal that makes us who we are, a people in communion with Jesus and with each other.

We welcome you, and hope that you chose to join us **in this place**.

If you are from this neighborhood or visiting from afar, know that you are always welcome **in this place**.
