

Lions Screen Individuals for Vision Disorders

by Rich Tameris Oxon Hill Friendly Lions Club and Brindisi Chang from the Special Olympics Lions Club.

Over 7,000 doctors of optometry descended upon Washington DC the last week of June to attend their annual Optometry's Meetings at the Gaylord's Hotel Resort and Convention Center at the National Harbor, Oxon Hill, Maryland. Doctors and volunteers ended their convention in a vision-screening clinic with Special Olympics-Lions Clubs Opening Eyes (SOLC/OE) program.

Over twenty individuals with intellectual disability were screened for a variety of vision disorders. Doctors from the AOA convention and volunteers from the Brandywine, Olney, Oxon Hill Friendly and Special Olympics Lions Clubs screened them for Near and Far Visual Acuity, Stereopsis (depth perception) and Color Blindness. If necessary, new glasses were prescribed immediately. Santinelli, a lens edging equipment provider, donated equipment and staff hours to make glasses and fit frames on the spot. Protective sports goggles for swimming and contact sports like basketball were also given out for those individuals who are athletes.

Introducing the clinic, New Jersey Lion Dr. Paul Berman, Founder and Global Clinical Director of the Opening Eyes Program, discussed how important this event is for these athletes. He gave an example of a young man who attended one of the screening in 2003 and needed eyeglasses. Berman asked the young man who ran track how did he see to run and his reply was that he would follow the blurred shadow in front of him, therefore always finishing with a silver medal. Needless to say after receiving his eyeglasses he came back to Dr. Berman with a gold medal hanging around his neck.

Representatives of the AOA and the Special Olympics then signed the memorandum of understanding to partner on future collaborations and to have screenings of athletes at future annual meetings of the AOA.

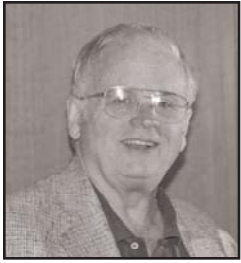

Top Left: Tables of eyeglasses to choose from; one athlete being fitted for a pair of eyeglasses.

Bottom Left: KL Rich Tameris, Oxon Hill Friendly Lions Club screening Sammy for Stereopsis (depth perception) with Lion Bob Wise from the Brandywine Lions.

Top Right: An individual from Santinelli's edging lens for a pair of eyeglasses for the young girl standing by him.

ROARIN' AT RANDOM

Bill Thomas
District Governor

Fellow Lions, Leos & friends, this is the first of 10 columns I will write for CNews this year. I look forward to communicating with you through your district newsletter, and many other ways.

First, let me start by saying Thank You! Thank you for electing me as your governor. Thank you for all your support during my campaign and my term as your Vice District Governor.

Thank you to DG Paul for leading us for the past year. It has been an honor and a privilege for me.

My theme for our coming Lions year is TEAM. Together Everyone Achieves More. There is a fancy word called synergy - the interaction of two or more agents or forces so that their combined effect is greater than the sum of their individual. It means that by working together, we can bring results far greater than individuals working alone. I believe that we, as a TEAM, can continue to maintain the great reputation and tradition of our District 22C, and grow it to even greater heights. Our International President Eberhard Wirfs has as his personal theme - Move to Grow. In order to grow, we must be willing and able to move forward. Moving to create new opportunities for community service; moving to create new ideas and opportunities for fund raising; Moving to develop Lions Leaders; moving to increase our membership.

The key to any successful endeavor is adequate resources. The greatest of our resources is YOU, the Lions and Leos of District 22C. It is you, and your club, that can and will make us grow. Our growth in membership, new clubs, new branch clubs, new Leo clubs, all will combine to make us better and better able to fulfill our motto of We Serve.

Look around you. Locate that new service project, that new fund-raiser, that NEW MEMBER. You are the eyes, ears and heart of the district. My job as your governor is to facilitate your efforts. The way to do this is through Cooperation and Communication. By staying in contact with your fellow Lions and Leos, by reading your Lions magazine, your club newsletter, 22C News, and perhaps one of our greatest assets, the Lions International Web Site, we can work together as a TEAM to achieve our goals.

In addition to this column in CNews, there will be excerpts from one of my University of Maryland textbooks throughout the year. (That's right - I am currently a Senior at the University) They will hopefully give you some good ideas that you can use along with your own in order to be a better part of your community.

On a personal note, my Partner in Service, Lion Julie, and I look forward to visiting with you throughout the coming year. Let me end with the same words that I started with - Thank You - Thank you from the bottom of my heart. God Bless You and God Bless America.

Let Us Do Together, What We Cannot Do Alone

Olney and Sandy Spring Lions Conducted Free Screenings

Mr. David Yousofi, owner of Eye Works Vision Care Center located in the Olney Village Center shopping mall, had wanted to do something to help the Lions. The result was vision, hearing and glaucoma screenings conducted on June 11th through June 13th in the parking lot of Olney Village Center in front of Eye Works by Lions from the Sandy Spring and Olney Lions Clubs. The District 22-C Mobile Health Unit was on hand Thursday and Friday, with screenings being done inside the store on Saturday.

Overall, a total of 93 screenings were performed with 15 vision referrals, 9 hearing referrals and 3 glaucoma referrals. 38 pair of eyeglasses and 4 hearing aids were also collected.

Overall, the event went well. The Lions received a great deal of exposure to the shopping center traffic, with many people stopping off to talk with us but not doing a screening. The management of Olney Village Center was very cooperative in reserving parking spaces for the event. The owner of Eye Works was pleased with the results and is already talking about doing a repeat performance later this year.

L to R: Sandy Spring Lions Larry Kenney and Vernon Leon, Olney Lions Club President Paul Bolton, Sandy Spring Lions Club President Halsey Smith, Olney Lion Michael Fekete.

The Mobile Health Unit was a valuable asset in making the screening event visible and accessible to the public.

District Governor Elect Bill Thomas and First Lady Julie were on hand to help with the screenings, as was Past District Governor Brother Pattie.

Calendar of Events

JULY

24-26 Waldorf Lions Antique Show, Thomas Stone High School

AUGUST

- 1 1st Advisory/Cabinet Meeting, Leisure World, Dollye Cooper, adminassist22c@gmail.com, 301-937-2833
- 13 Brandywine Lions Blood Drive at Baden Volunteer Fire Department, 2:30 to 7:00 pm. Contact Bill Teslik 301-888-1666 to schedule an appointment.
- 14 Lions Night at the Bowie Baysox organized by the Lions of Region 3, Contact Ron Seibel, rjseibel@erols.com.
- 14-22 Montgomery County Fair - Montgomery Agricultural Center Lions will be dipping ice cream each day-also vision & hearing tests will be conducted
- 21 Leonardtown Lions Blood Drive at the Episcopal Church on St. Andrew's Church Road.
- 28 Olney Golf Tournament, Mike Fekete, mgfekete@verizon.net, 301-774-6590 (see article *this issue*)
- 30 Upper Marlboro Antique Car Show along with the Upper Marlboro Fire Company. The event will take place on Main Street.

SEPTEMBER

- 11 Hollywood Lions Club Golf Tournament
- 12 Flea Market at the Brandywine Lions Club Park, 8am - 2pm, 301-782-7900, blc167@peoplepc.com
- 19 Classic Car Show at the Brandywine Lions Club Park, 9 am - 3 pm, blc167@peoplepc.com., 301-782-7900
- 24-26 USA/Canada Forum, Memphis, TN, PDG Mike Bleything at pdgmike@msn.com

OCTOBER

- 3-4 Brandywine Lions Fall Craft Fair
- 8 Brandywine Lions Blood Drive at Baden Volunteer Fire Department, 2:30 to 7:00 pm. Contact Bill Teslik 301-888-1666 to schedule an appointment.
- 16-18 Multiple District Lions Retreat at Lions Camp Merrick (see article to the right)

DECEMBER

- 10 Brandywine Lions Blood Drive at Baden Volunteer Fire Department, 2:30 to 7:00 pm. Contact Bill Teslik 301-888-1666 to schedule an appointment.

Multiple District 22 Lions Retreat

Club Happenings

Olney Lions Charity Golf Tournament - Friday, August 28

The Olney Lions are sponsoring the 16th Annual Olney Open Charity Golf Tournament on Friday, August 28 at the Laytonsville Golf Course.

Come join the fun with Honorary Chairman and Master of Ceremonies Mr. Frank Herzog, WTOP News Anchor and 25 Year Veteran Voice of the Washington Redskins.

The \$100 fee per golfer includes green fees, coffee & doughnuts, carts, range balls, post-tournament cookout, beverages & door prizes.

Organize a foursome of your fellow Lions and friends and join us! All proceeds go to charity.

If you run a local business, here are some more ways you can promote your business and contribute to a great cause at the same time:

- Sponsor a hole. For \$125 you can purchase a sponsorship sign to be displayed at one of the holes on the golf course during the tournament.
- Donate items or services for door prizes or gifts for the golfers. (Items with your company logo make great advertisements.)
- Contribute items for the auction.

For more information about participating either as a golfer or a sponsor, see the attached flyers or contact: Lon Anderson 301-587-7701 (home), lonanderson@verizon.net or Mike Fekete 301-774-6590 (home), 301-466-9342 (cell), mgfekete@verizon.net

Bowie Lions Rainbarrel Sales - July 19 & 26

Bowie Lions Rainbarrel Sales at the Bowie Farmers Market on July 19th and 26th from 8:00 - 12:00.

Market is located in front of Bowie Library next to Bowie High School on Route 450 or call 301-262-2665 for info.

Oxon Hill-Friendly Lions Club Becomes the Only 100% Melvin Jones Fellow Club in the US

I am pleased and honored to tell you that I attended the LCIF luncheon today and was honored to accept a recognition plaque on behalf of the only Lions Club in the entire United States that became a 100% Melvin Jones Fellow club during the year 2008-2009: Oxon Hill-Friendly.

PID Joe

Northern Calvert Lions "A Night of Fireworks"

The Northern Calvert Lions Club sold raffle tickets for "A Night of Fireworks." The winner received a \$75.00 dinner voucher at the Rod 'n Reel Restaurant, a room at the Chesapeake Bay Resort and Spa, and breakfast the morning after. All of this took place on July 3rd, when the annual Fireworks Display takes place on the water in front of your balcony at the hotel. This year's winner was Joan McDowell from Owings, Maryland. The previous two year's winners were Lions. We appreciate the help from all the Lions who participated.

Northern Calvert President Jim Daniels

Damascus Lions Promote "Lions Cycling for Sight"

Left to right: Peter Vint, Lions Mike Layman, Joy Schwab, Tom Gray, Bill Mahylis, Tom Jackson, Wayne Marr, King Lion Eloise Woodfield, Marcia Holpuch, Ronnie Poland, and Ann Davis. Not pictured, but supported this event were Lions John Holpuch and Tuck Woodfield.

Peter Vint and Lion Mike Layman (of Havre de Grace, MD) rode their bikes 32.2 miles from Sandy Spring to Damascus and back on a very rainy day to promote Lions Cycling for Sight. Lion Tom Gray drove the support vehicle. Damascus Lions came out to cheer, provide water, and promote Lionism to help Cure and Prevent Blindness.

LionsCyclingForSight.Org

Help us raise dollars to Prevent and Cure Blindness around the world.

The purpose of Lionscyclingforsight.org is to promote Lionism and raise funds through the sport of bicycling to Prevent and Cure Blindness around the world.

Lions Saving Kids Sight, Inc.

Pre-School Vision Screening Program Needs Your Financial Help

This is the end of the 2008-2009 Lions year. The Pre-School Vision Screening Program (PSVSP) needs funds now!

We are asking that clubs consider making a donation from any unspent funds in the budgets of clubs' Sight or Youth committees. These funds are desperately needed to operate the PSVSP during the summer.

Donations should be made to the Lions Savings Kids Sight (LSKS) Foundation. In addition please consider including in your new budget a donation to the LSKS Foundation and paying that early in your 2009-2010 Lions year instead of at year's end.

A ten dollar per member contribution is suggested. Individual donations are also appreciated and are tax deductible.

Please send checks made out to LSKS Foundation to Lion Dale Strait, 9470 Annapolis Rd., Suite 415, Lanham MD 20705.

Your prompt attention to this appeal is appreciated!! Please see the attached case statement for more information on why your donations are critical to PSVSP. Please contact me if you have any questions.

Lion Bill DeLone

LSKS Foundation Trustee from District 22C
301-762-2768

First Advisory/ Cabinet Meeting held at Leisure World Saturday, August 1

Social begins at 11:00
Lunch at noon
Meeting following lunch

Please put this date on your calendar.

Administrative Assistant

LSKS Foundation Case Statement

June 2009

The Preschool Vision Screening Program (PSVSP) has been operating in Lions Multiple District 22 since 2003. It is one of MD22's most successful community outreach programs directed at saving the sight of the children right here in our district. The purpose of the program is to screen young children (1 to 6 years old), to identify children with indicators of Amblyopia (lazy eye) and to refer them to an eye doctor for an examination and treatment. Children with untreated Amblyopia are at risk for blindness if not treated. To date 21,000 children have been screened and 1500 (7% of children tested) referred to an eye doctor for an examination. MD22 has likely saved the sight of more than 500 children since the inception of this program.

The goal then is to identify Amblyopia and prevent low vision and blindness in our children.

The success of the program depends on:

1. Accurate screening
2. Eye examination with a qualified professional
3. Proper treatment
4. Follow up

Accurate screening and follow-up eye examinations are dependent on accurate record keeping and aggressive follow through. MD22 has established a coordinated effort to ensure that vital statistics are maintained as a basis for tracking the accuracy or our screening and to follow-up with parents until children at risk are examined by an eye care professional. Without this aggressive follow-up program xx% of children at risk would not have seen an eye doctor. The program is supported by a full-time staff person and total annual operating costs are \$70,000; a **small price for saving the sight of more than 100 children each year.**

Lion Dr. Chris King is the MD 22 medical advisor for PSVSP. She emphasizes, and I quote, "A vision screening program is of little benefit to the public if the testing is not done accurately, consistently and if the results are not followed up on to insure that the goal of the screening is met. The Multiple 22 program has been successful in setting up a clear process whereby results are interpreted through reliable and experienced sources, in providing an administrative professional to coordinate the flow of information, namely the results to the clubs, to the doctors providing comprehensive examinations, to the medical advisor and to LCIF. This professional also addresses questions from the public regarding the program **and contacts parents to make sure that children are receiving eye examinations.** Running this program properly takes time and attention to detail. It takes resources. By uniting the clubs in the Multiple 22 program, we can combine our assets, our buying power for instrument purchases and our experience, we can assure consistency in our testing and continually monitor the reliability of our testing methods, and we can share the joy of helping children."

The following is a testimonial from a grateful parent:

"I just wanted to let you know I received a packet in the mail regarding the vision screening done last school year at Countryside Christian School in Cambridge, Maryland. My son was screened & we were notified that he needed his vision checked.

We took him to Halpern Eye Associates & then to A. I. DuPont Hospital for Children for a second opinion. He was diagnosed with Amblyopia in his right eye. It is a genetic disorder that runs in the family. He does not have the muscular kind, so without the screening, it may have been 1-2 more years before the problem would have been discovered.

He is wearing glasses & we patch his 'good' eye for at least 2 hours everyday. We go back to A. I. DuPont for a follow-up appointment on 09/04/08 to see how things are progressing.

Thank you so much for the screening you do."

Simply stated, the goal of the Lions Saving Kids Sight Foundation is to raise the funds necessary to operate a comprehensive and successful Pre-school Vision Screening Program.

Lions Camp Merrick News

Camp Merrick Needs Funds to Complete Resurfacing of the Entrance Road

After receiving 20 sponsors for the adopt-a-road project, the donations have stopped and we still have a major portion of the camp entrance road that needs work. I would appreciate it if you could help us get the word out to let Lions know that we appreciate their support and would welcome any additional help they may be able to give.

LCM seeks donations to complete the surfacing of the entrance road at the camp. The road project was started two years ago but money ran out before the project was complete and nearly one mile of road surface was left without any aggregate to cover the bank run fill dirt that was placed on the road. The result: when it rains, the road gets ruts, pot holes and erodes.

In 2009 we created a fundraising program - the Adopt A Road project - to fix the problem. For just \$400 a donor will be recognized for their support of LCM through signage and a load of asphalt millings will be delivered and spread on the road. Twenty donors have stepped forward so far, but we need 30 more to complete the job and get the road in a well maintained condition once again.

If you can help, send your tax-deductible donation to LCM, PO Box 375, Waldorf, MD 20604 or call 301-645-5616 for credit card charges.

If you would like additional information about the adopt a road project or other programs at LCM call Greg Floberg at 240-723-7311.

Thank you for your continued interest and support of Lions Camp Merrick!

Greg Floberg, 240-723-7311

Before and after shots of the entrance road to LCM

Patriot's Circle at LCM

Bricks in the Circle

Patriot's Circle at Lions Camp Merrick

While we are pleased that it is complete, I want to remind everyone that the Patriot's Circle was never intended to be "completed." Over 3,000 brick pavers were installed in this project, but just over 100 were engraved - in memory of someone special, in honor of someone, to recognize a Lions Club or business or simply to add a name of someone who supports the camp.

And, for a limited time brick buyers will have a chance to win \$7,000.00! LCM is promoting a raffle fundraiser and anyone who purchases a brick will be entered into a drawing for \$5,000 plus the person or club that is responsible for selling the brick of the winner will receive \$2,000. This fundraiser is limited to the next 400 brick buyers - and the bricks are going fast so don't miss out on this special offer.

Proceeds from this promotion will be used at Lions Camp Merrick to support the programs and services we provide to children and adults who are deaf, blind and/or have diabetes. I thank you for your support and continued interest in this fine program.

For information about buying a brick, support the adopt a road project or other work at LCM contact Greg Floberg at 240-723-7311.

Lions Camp Merrick News

Wagshal's Market Raises Funds For Campers

Wagshal's Market wrapped up its 2009 D.C. Grill Masters Series demonstrations on Sunday, June 28th with a check presentation to Lions Camp Merrick. Accepting the \$4,050.00 donation on behalf of Lions Camp Merrick was Gregory Floberg, Director of Development and PR along with Derrick Ayers of Wheaton, Maryland who was awarded a "campership" to attend one week long diabetes camping session.

Six families who qualify for financial assistance will each receive an award that will pay the camper fees so their child may attend a one week diabetic camping session at Lions Camp Merrick. Each year hundreds of children diagnosed with diabetes participate in the Camp Glyndon diabetic program held at Lions Camp Merrick and learn how to better manage their disease. In addition to the educational benefits of the program - which is achieved through fun activities, such as, drama and art - campers challenge themselves and one another on the high ropes course and climbing wall. They hike the many trails on the 320 acre facility, swim in the pool, canoe on the Potomac River, improve their archery skills, play team sports and competition and explore nature. The camp is located in a rural setting in Charles County in southern Maryland and is supported by Lions Clubs from throughout Maryland, Virginia, Washington, D.C. and Delaware, the American Diabetes Association and others.

Raising funds and awareness for Camp Glyndon is a personal cause for the Fuchs family, the owners of Wagshal's Market, especially Aaron Fuchs who attended Camp Glyndon as a child. Aaron was diagnosed with diabetes at a young age and because of his disease was not able to go to just any summer camp. Camp Glyndon not only accepted him, but gave him the opportunity to have the same experiences other kids his age had. At Camp Glyndon Aaron learned how to manage his disease and today he enjoys a productive, good quality of life. Because Camp Glyndon made a lasting impression on Aaron and his family, Wagshal's Market decided to use the D.C. Grill Masters Series to provide opportunities and help others who may be struggling with their disease. With their financial contribution, Wagshal's Market and the Fuchs family is making a difference.

Check presentation at Wagshal's Market. Pictured (L to R) are Gregory Floberg, director of development and PR for LCM, Bill Fuchs, owner of Wagshal's Market, Derrick Ayers a campership award recipient, Aaron Fuchs, operations managers of Wagshal's Market, Piter Tjan, celebrity chef, and Brian Fuchs.

Wagshal's Market is located at 4845 Massachusetts Avenue, NW, Washington, DC. In addition to the quality cuts of meat and sea food that is available at the market, Wagshal's also operates a Delicatessen, bakery and offers catering services. For information about Wagshal's services call 202-363-0777 or log onto www.wagshals.com.

Lions In Action - Beltsville Day

Beltsville Day was observed at the Beltsville Community Center on Sunday, May 17. The Beltsville Lions Club sold food that day and also assisted in manning the District 22-C Mobile Health unit. Lions Mark & Thelma LeRoux from the South Potomac Club did most of the work on the Mobile Health unit, performing hearing, vision, and glaucoma screenings.

The Club also supported a health fair at the BAPS Temple in Beltsville by facilitating the loan of vision screening equipment from the Lions Community Outreach Foundation. Also present but not appearing in these photos were Lions Kevin Kennedy, Ted Ladd and Rick Zerbe.

Left: Lions DeeDee Musachio & Ann Ladd registering people for vision & hearing tests.

Bottom Left: Lion Mike Musachio prepares a sno-cone while Lion Andy Rolle displays the dollar collected. Others in the photo (from left) John "JD" Perkins, "DeeDee" Musachio, Ann Ladd,

Shirl Akers, Camillo DiCamillo and Kuert Straubinger.

Bottom right: (from left) Lions Mike Musachio, Andy Rolle, Camillo DiCamillo and Ginger Hand taking food orders.
