

**POLLWATCHER CHECKLIST AND COMMENTS, NOV. 4, 2008, PRECINCT NUMBER AND LOCATION:**

Committeepersons: Please ask pollwatchers to use this form and return it to you. Mail in the stamped, self-addressed envelope to:

Problem (brief description)	Time of day	Describe problem in detail	How was it resolved?	Pollwatcher NAME (each comment)
1. If there has been any campaigning within 10' of the poll room, please describe it.				
2. Do the machine count totals equal the total on the hand-written Numbered List of Voters? PLEASE CHECK THIS APPROXIMATELY HOURLY and LIST TIMES CHECKED.				
3. Did anyone leave the booth without pushing the green "VOTE" button?				
4. If a machine malfunctions, please list the machine number and describe what happened.				

5. If there are any long lines, please list approximate waiting time and whether the lines are for the tables or the booths.				
6. If there are any completely inoperable machines, please note: How many? How long before replacement or repair? 7. Were Emergency Paper Ballots used if one or more machines were down?				
8. Did the Judge of Elections contact the Board of Elections if the voter was not in the pollbook?
