by December 9

@ THE NEW COMMUNITY SCHOOL

cyber safety

about the speaker

Livia McCoy has spent 25 years teaching science and computer classes to students with language learning disabilities at The New Community School where she also oversees the technology program.

Livia has published several articles including, "Coping With Dyslexia" in *Science Teacher*, "The Parable of Jared" in *Perspectives*, and "The Computer: Freedom to Write" in *Vision*.

She appeared on PBS in a staff development segment called "Technology for Learning Disabled Students" sponsored by the Virginia Department of Education.

topics to be covered

- FBI guidelines for protecting children
- Warning signs of a child in danger
- Types of cyber activities and their risks
- Facebook and Twitter
- Becoming a cyber-savvy parent
