his work ethic and character. The goals and standards that Coach Forsythe has established for his football programs are exemplary, as evidenced in his record of successes and regional reputation", Davis said. "He has a passion for preparing student-athletes for success in all aspects of their lives".

Coach Forsythe commented, "My family and I are extremely excited for the opportunity to serve in our community, which is very near to our hearts. I have fond memories of my youth sports experience and time at Frostburg State, and I truly believe that my six years as an assistant coach in Montgomery County have equipped me for the challenges as head football coach. I am very excited to serve the students of Richard Montgomery and Clarksburg Sports Association and I look forward to building sound programs based on time tested coaching principles and academic performance".

CSA Executive Director Kevin Hutto commented, "Coach Forsythe is a credit to both the Richard Montgomery program and the high school coaches in this state. He's a great coach and an even better person. A coach is a coach at any level, and Steve understands the role of the coach. He's had a lot of success and touched a lot of lives, and he is going to continue to do that. It will be a great fit for him, and both Richard Montgomery and Clarksburg Sports Association are lucky to have him."

The CSA football program will debut this fall 2007.
