CLARKSBURG, MD, SEPTEMBER 19, 2007: Clarksburg Sports Association, Inc., a youth sports league serving the greater Clarksburg area, has named Coach John O'Brien as Director of the CSA Track and Field program.

"Coach O'Brien was our unanimous choice to advance the CSA vision for a world class youth track and field program here in Clarksburg", Executive Director Kevin Hutto announced after the second CSA annual meeting recently. "I'm really excited about this opportunity to help build a program from the ground up. CSA is well respected in the community and I am excited to be part of this flourishing association. I could not think of a better time to get involved" O'Brien commented.

Coach O'Brien is as widely known and respected for his commitment to academic success as he is for his work on the track. Hutto went on to say that "John is a natural fit for our program; he demonstrates the type of leadership qualities that support the core organizational beliefs for this strategic position. There are many personal and professional qualities John has that made him our top choice, but a major consideration was his respect for the fact that our athletes are, first and foremost, students. I'm confident that Coach O'Brien will help the track and field team develop winning traditions here at CSA, and I'm just as sure that, under his direction, our student-athletes will leave CSA prepared for success in life and life's work."
