CLARKSBURG, MD, SEPTEMBER 18, 2007: Clarksburg Sports Association, Inc., a youth sports organization serving the greater Clarksburg area, has named Renise Freeman as Commissioner of the CSA Track and Field program.

Renise Freeman, a track and field coaching veteran who has an exemplary reputation for mentoring youth athletes and working with private track teams in the area, will be the first Track and Field Commissioner for the Clarksburg Sports Association, CSA Executive Director Kevin Hutto announced recently.

discover for our youth. The combination of both her athletic knowledge and academic credentials are a perfect compliment to her vision for our growing program. We could not have hoped to find a more committed individual for this important role."

"My family and I are excited to be a part of the CSA program," says Freeman. "It's one of the most energetic and encouraging youth athletic associations out there and we share similar values and ideals when it comes to sports and the impact it can have in a young persons life. CSA provides the perfect framework to institute a program that gives area youth the chance to pursue both athletic and academic excellence while making friendships, building self esteem, and learning sportsmanship."

Hutto went on to comment, "The CSA Board is very impressed with Renise's qualifications as both an outstanding coach and strong advocate of academic performance. Her enthusiasm for track started at a young age and has developed into a passion for helping the youth in our community grow in a positive direction. I am confident that her experiences and leadership will translate into a high quality program for CSA families."

The CSA Track and Field program will debut in the spring of 2008.
