equipped to help us achieve our goals of establishing a position of local prominence on the tennis court."

"I am truly excited and honored to have the opportunity to serve as CSA's Tennis Director," said Fankhauser. "I look forward to working with the CSA team to provide a best in class youth tennis program for the families in our community. My focus has been and always been on the student-athletes - to provide them with opportunities to grow individually, and to prepare for endeavors beyond their youth experience."

Hutto went on to comment, "Having been an outstanding player in his own right, Fankhauser is very passionate about the youth tennis experience. I am confident that he will bring that passion and pride to our tennis program. During his collegiate career, he won the NAIA District 10 Singles and Doubles Championships and played in the National Championships in 1992."

The CSA Tennis program will debut this spring 2008.
