Bruce Schwalm, outgoing Wrestling Director commented on Brenowitz's appointment, "Scott is a former High School and College wrestler, football player and track athlete. He has also led seminars on Power Lifting to help raise awareness of the dangers of steroid abuse. Add to that Scott's Management and Financial skills and you can see why I was thrilled when he agreed to become director for our program. Between his wrestling, youth sports and organizational skills, Scott is ready to make significant contributions to our wrestling family."

"I am excited about the opportunity to contribute, to help guide the organization towards our vision and to grow the sport of wrestling here in the greater Clarksburg area for future generations," Brenowitz said. "CSA is growing and it's a opportune time to be involved in such an important endeavor and I look forward to contributing to the continued success of the association and the families we serve."
