**CLARKSBURG SPORTS ASSOCIATION AND GERMANTOWN ATHLETIC CLUB
ANNOUNCE STRATEGIC SUMMER CAMP ALLIANCE**

CLARKSBURG, MD, MAY 1, 2009: Clarksburg Sports Association, Inc. and Germantown Athletic Club, youth sports organizations serving the greater Clarksburg/Germantown area have recently announced a strategic summer camp alliance.

"The Clarksburg Sports Association (CSA) baseball program is now in its 5th season and our summer camp alliance with Germantown Athletic Club (GAC) is a collaborative next step in preparing for the future growth of our respective baseball programs here in the greater Clarksburg/Germantown community," CSA Executive Director Kevin Hutto announced recently.

"We are excited to partner with an organization that has a longstanding history of providing quality youth baseball and

~ MORE ~

softball programs in the community with over 10 years experience," says Hutto. The GAC/CSA Coyote Baseball camp will be directed and staffed by the distinguished Big Train baseball camp team including Big Train Manager Sal Colangelo and collegiate pitching coach Bill Sizemore. "Clarksburg and Germantown baseball families will benefit immensely from the years of camp experience and program depth the Big Train staff brings to this year's inaugural camp. The GAC/CSA alliance will also provide a strong foundation from which to launch a sustainable summer camp model for years to come."

"This is a very exciting opportunity for GAC," commented GAC President Troy Barker. "CSA has established itself as an organization with a reputation for developing high quality youth sports programs and we are confident the summer baseball camp will live up to that expectation. Our alliance will introduce a new opportunity for baseball families served by GAC to participate in a high quality camp program provided by some of most qualified camp directors and staff in the state of Maryland."

Hutto continued, "The vision for our respective organizations is closely aligned and our stated mission to develop relationships with like minded organizations in our community is confirmed by this partnership. Our mutual affiliation will have an immediate impact for all families served by our respective

programs. We could not have hoped for a more amiable solution for our baseball camp going forward."

"These are very exciting times for both GAC and CSA," Barker added. "I am confident that our combined efforts and collective resources will serve our respective programs, communities and families well. Everyone I have talked to has been very supportive and enthusiastic about the growth potential this partnership enables. We are looking forward to a mutually rewarding relationship for many years to come."

Registration for the 2009 GAC/CSA Coyote Baseball summer camp is currently underway. Space will be limited to the first 100 registrations to maximize the camper/coach ratio. Click [HERE](#) to register on-line.
