CLARKSBURG, MD, MAY 17, 2007: Clarksburg Sports Association, Inc., (CSA) a youth sports organization serving the greater Clarksburg area announced today that its football teams will participate in the [Mid-Maryland Football League](#) beginning in the 2009 football season.

Mid-Maryland President Mike Milani commented on the development, "Our Board unanimously approved the application by Clarksburg Sports Association football to join the Mid-Maryland League beginning in 2009. Milani continued, "The Clarksburg Sports Association football program is an ideal fit for the Mid-Maryland league. The CSA leadership team is highly qualified and well respected in Montgomery County football circles. We are confident this development will result in a positive experience for CSA families and we look forward to a long term relationship".

"I was pleased to hear that the CSA program had been accepted into the Mid-Maryland league this year", commented Clarksburg High School Head Football Coach Larry Hurd, Jr. "This league is clearly an appropriate next step for CSA and provides a great foundation going forward to help prepare these young men for the level of competition they will experience when they join the Clarksburg High School program in the years to come. Mid-Maryland has grown to become a premier youth league serving hundreds of athletes including several neighboring teams from Montgomery County and I believe that Clarksburg families will be delighted with the level of quality this league has to offer".

CSA Football Commissioner Stephen Walker commented, "Our business plan vision for the future of our program has been fulfilled in just two short years by our acceptance into the Mid-Maryland league. Mid-Maryland provides the opportunity to help make our teams more competitive as we prepare our athletes for their eventual high school football experience." Walker

continued, "The word is out and registrations are already up from this same time last year. Everyone we have talked to has responded positively about the development and we are confident that the families we serve will benefit immensely by our participation in the Mid-Maryland league".

The CSA football program will begin participation in the Mid-Maryland league this fall 2009.
