SPONSORSHIP APPLICATION

The Clarksburg Sports Association (CSA) believes that sports are a vital part of community life. CSA is an organization which places a high priority on character development and academics and is unique in its focus on developing long term relationships among peers, coaches, parents and the Clarksburg community. CSA coaches are teachers, first and foremost, and are committed to stressing the importance of scholarship while teaching youth the skills to excel in athletics. Every season we have to pay for league fees, field/facility fees, insurance, practice facilities, tournament fees, travel costs and all capital equipment and uniform needs that we have.

The costs for our operation is approximately \$85,0000 per year. We are fully self funded and must rely on fundraisers and sponsorships to pay the expenses involved with competing at this level. We are a 501c(3) non-profit and operate completely as a volunteer organization with no paid employees. 100% of your sponsorship will be applied towards our general program (unless a specific sport is designated) as outlined above and your contributions are eligible for a tax deduction.

It is also our goal to provide you with the utmost publicity, marketing opportunity and exposure as a sponsor. Whether its signage at events, special recognition at major events, web links or your name on marketing materials, we will work with you to ensure you get the best possible return on your investment.
