COME AND EXPERIENCE
The Love of God at St. John's

As we experience the sights and sounds of the season, we can honestly say Christmas is a wonderful time of year. For there is a spirit of love and peace which surrounds us and envelops our families. Yet, there is more, for this season wraps us with warmth and the feeling of peace only God can give.

For this reason, we invite you to join with us as we celebrate the birth of God's son, the true reason for this season. We invite you to **COME**, and be filled with God's light and love. **COME** and find a peace, that nothing can diminish. **COME** and feel the strength of a community of faith. **COME**, for you are always welcome.

Activities are open to everyone.

ALL ARE WELCOME.

The Reverend Brian D. Cox
 Senior Pastor

Michael Brinkworth
 Minister of Music
