I am currently an administrator in charge of event planning for Psychology Department at Princeton University. My husband Jim earned his BA at Rider as well (although our paths never crossed during college) and went on to earn his MA and Ph.D. from Johns Hopkins University. Our son Jeremy is in the 5th grade at Montgomery Lower Middle School, where he excels academically as well as enjoys participating in soccer, basketball, fencing and playing the French horn in the school band. Jeremy is also an avid reader and plays the piano. Our two-year-old son Daniel is in the Toddler Program at Lakeview in Princeton and is a very happy and energetic little boy. He adores his older brother and tries to copy everything he does! We can already see Jeremy's positive influence on him paying off in Danny's early skill in basketball and soccer. I am sorry I had to miss the reunion, but my family and I will be vacationing in Montreal & Quebec at that time.

Significant other's name: Laura

Names and ages of your children:

Christina (almost 6 yrs.)

Occupation: Production Manager

Hobbies & interests: Travel, Home Improvement, Gardening, and Self Awareness and Improvement
College: Kean

BIOGRAPHY: I went to MCC County College, and then graduated from Kean.

I Moved to Phoenix, Arizona (stayed there for 3 yrs), cause I hated Jersey.

Got married in 1988, divorced in 91, (-2 yrs and 2 days!) Thank God!

I came back to Jersey, 1991 (loved Jersey now), and I missed my family.

I started working for Enslow Publishers, Inc. in 1991, and am still there, where I am a production manager.

In 1998, I went back to my original birth name, deciding that my father had had nothing to do with who I am, so he wasn't getting any credit!

In 2002, I sort of settled down with the birth of my daughter, Christina.

Over the years my eyes have seen so many places! My heart has loved so many people! And my brain has learned so much! (My glass is almost full.)

I'm not rich, I don't live in the largest house, nor do I drive the nicest car, but what I have achieved in life is so much more than I ever thought possible, from my high school days!

I wouldn't do a thing over again, because all of my building blocks of life experience, have built me into who I am!

The only thing I can't seem getting use to, is getting old.

Remember, "Life happens, when you are making other plans."

All I can say is, "Who would have ever known?"

I look forward to seeing all of you who attend our class reunion!

In Loving Memory of Garry Christopher Bolger

6/1/1965 – 2/8/1993

Garry Christopher Bolger was killed in a construction accident on 2/8/1993. He is survived by his devoted parents Linda and Kyle and younger brother Kyle of Avenel. He was married to Elvira Ruiz Bolger at the time and has two daughters Megan who was almost 3 and Nicole "Nikki" who was just one year old when he died. His wife later remarried and had a son.

Garry went into the Marine Corps right out of High School and was trained at Parris Island, SC. He advanced to the rank of Lance Corporal. He was stationed at Camp Le Jeune, NC, sailed on the USS Saipan to England and Norway and got to see the Great Northern Lights. He also was stationed at Camp Pendleton, CA and went to Thailand and Okinawa, Japan and crossed the equator by ship and sailed to Alaska. His heart always remained at home in NJ and he is buried at St. Gertrude's in Colonia.

He loved to fish, play cards with his family and was a real family man. In High School he was Captain of both the Cross Country Team and Track Team and ran ½ mile relay, 1m and 2m.

He is greatly missed and his memory lives on through his friends and family. His spirit, smile and love of life will forever be ours.

Like our Prom song "Truly", he truly was my high school sweetheart.

Love forever, Julie
