

Mid Atlantic Woof

Springtime is here!

The weather is finally starting to get warm, and it is time to get outside and enjoy some fresh air with our dogs! We'd love to see you and your dachshund at some of our upcoming events (see below). With warm weather comes fleas, ticks, mosquitoes, and other pests, so be prepared! Make sure you give your dogs their monthly heartworm prevention and flea & tick preventative. After being outside, it is a good idea to check both your dog and yourself for ticks. A great way to remind yourself of the monthly preventatives is to sign up for a reminder email to be sent to you at <http://remindmypet.com>.

We have new fundraising items available at our events, including the magnets shown here.
