

St. Joseph Parish

Food Cupboard

The first Sunday of each month parishioners are requested to bring canned goods such as beef stews, tuna fish, fruit, vegetables, soup, pork & beans, and other non-perishable goods such as cereals and pasta. Contributions are transported to the Community Food Cupboard in Warminster the Wednesday after the Sunday collection to feed the needy in the area.

If you are interested in volunteering to assist with transporting and/or sorting food collected each month, contact **Bob Byrne** at **215-675-9060**
