## **Respect Life Committee**

Saint Joseph Respect Life Committee is a group of Saint Joseph parishioners who are dedicated to promoting respect for, and defense of, human life from conception to natural death. Our ministry comprises prayer, education, and responsible political action. We pray for a greater respect for life in our society and encourage others to pray. We seek to educate everyone about current events affecting respect for human life. We exercise responsible citizenship by contacting legislators and participating in peaceful and prayerful demonstrations in support of life. We vote as responsible and committed Catholics and encourage all Catholics to do the same.
