

SAINT JOSEPH CHURCH VINE GROUP

Consists of volunteer men and women who visit those who are house-bound, offering assistance to them and their caregivers such as:

- Staying with the house-bound while the caregiver goes out on important errands or lunch with friends;
- Visiting and talking to the house-bound with the caregiver in the home;
- Assisting in running errands or taking the person to shop for themselves;
- Visiting Christ Home, Luther Woods, and any nursing home under St. Joseph's Church jurisdiction, assisting in saying the Rosary once a week; and once a month going with Father when he says Mass at the nursing homes. Also Extraordinary Ministers take Holy Communion to those in the nursing homes every week.
- Working in the food distributing center sorting out the donations.

These visits are on a weekly or monthly basis according to the needs.
