

# NRA Day Camp & Family Open House

Sunday, September 27, 2009  
9:30 am - 2:00 pm

The Old Colony Sportsmen's Association Junior Rifle Program and the National Rifle Association invite you to spend a few educational and fun hours at the club. All that is required for admission is that an adult bring a young person(s) with them. On signing in you'll be instructed in basic firearms safety and operation as well as the Eddie Eagle Gun Safety Program. After class you may tour the club and take part in the shooting sports activities planned for the day. At each activity a trained instructor will coach you. Parents please note that you can shoot too! This year's activities will include: an introduction to trap shooting, black powder shooting, primitive demonstrations, archery, 200 yard rifle target shooting with live scoring, pistols and rifles of various calibers to

try on steel knockdown targets, swinging and exploding targets. The first 75 young people attending will receive an NRA T-shirt and a FREE lunch!

Please bring your own hearing and eye protection if you have it. The club has some to borrow if you can't bring your own. There

will be sign up sheets for anyone wanting to join the club, the NRA and/or the Junior Rifle Program.

The Junior Rifle Program will start its new year Saturday morning September 19, 2009 at 9:30 am. We hope to see you there!
