

CHORAL EVENSONG AND FEAST OF MEMORIAL LIGHTS

SUNDAY, NOVEMBER 1, 2009 + 5:00 p.m.

All Saints is the celebration of the baptized who make up both the church militant (today) and the church triumphant (those who have departed this life). What better way to celebrate the memory of those who have been so important to us, than to make the choral evensong and feast of memorial lights a part of the remembrance and thanksgiving for their lives.

After the service, we gather at the Memorial Tree in St. Francis Patio. Each light on the tree represents a person whose name was read in the service. *Dinner will follow the tree lighting.*

Pastoral Commission provides much-needed ministry through loans and gifts. Some funds are used to send flowers to the sick, the homebound, and the bereaved. The proceeds from the sale of memorial lights help make this ministry possible.
